

Multi-Agency Risk Assessment Management (MARAM) Framework Training Map

	Information Sharing Schemes	MARAM Victim Survivor	MARAM Person Using Violence	Additional Training
Identification		For all professionals who may identify that family violence is occurring and who engage with people in a one-off, episodic or ongoing service environment and are in a position to identify or screen for family violence.	For all professionals who may identify that family violence is occurring and for clients with who they engage with on a one off, episodic, or ongoing basis and are in a position to identify or screen for family violence.	<p>MARAM Foundations: Your understanding of family violence For professionals who may have limited family violence knowledge, or who may be new to working with people experiencing family violence.</p>
Intermediate	Provides guidance for all professionals about the use of the Information Sharing Schemes - Family Violence Information Sharing Scheme (FVISS), and the Child Information Sharing Scheme (CISS) - and how they can be used in conjunction with MARAM.	For professionals whose purpose of intervention is linked to family violence but not directly focused on family violence, and staff who engage with people in crisis situations, or at high risk of experiencing or using family violence.	For all professionals who have an intermediate role when working with adults using family violence in both non-specialist and specialist services.	<p>MARAM Leading Alignment For leaders and organisational managers to understand what is required under the MARAM Framework to demonstrate organisational alignment.</p>
Comprehensive		For professionals who work in a specialist capacity across the integrated service system.	For professionals requiring a specialist level of skill, knowledge, and expertise in family violence practice with adults using family violence.	<p>MARAM Collaborative Practice Suitable for all professionals, this training assists professionals to work collaboratively with other professionals and contribute to current and ongoing risk assessment and management, through information sharing, referral and secondary consultation.</p>

Please Note: It is recommended that professionals who have not completed any previous MARAM training first attend the MARAM Victim Survivor training.
